

Interested in a career in Life Sciences?

The BULLS Life Science Academy and Biotechnology Biomufacturing Continuing Education Program at Durham Tech are offering training certifications and full scholarships to young adults interested in pursuing a career in Durham's growing life sciences industry. **Learn more about how you can apply to COHORT 9!**

Who qualifies?

To qualify for the program, applicants must:

- 1 Have a high school diploma or high school equivalency
- 2 Reside in Durham County
- 3 Be 18 - 25 years old

What's in the program?

The Biowork Manufacturing program has a LOT to offer trainees:

- + Learn how to apply and how to get financial assistance
- + Fully-funded, including tuition and stipend
- + Get trained, get hired, and start your career in the Biomufacturing industry
- + Complete a 5-month Biomufacturing program at Durham Tech
- + Receive resume and career development training
- + Average starting salaries of \$40,000 + benefits

Join an upcoming VIRTUAL Information Session:
You have to attend a session to get a Cohort 9 application!

Click the link or scan the QR code below to join a VIRTUAL Information Session

Who will be speaking?

At each Information Session you will hear from:

- 1 Durham Tech and Made in Durham Program Coordinators
- 2 Durham Tech students who are successfully employed
- 3 Financial and Job Placement Advisors

We'll also make time for questions and answers at the end of each session

We're offering 3 Info Sessions for Cohort 9!

Remember, you have to attend one to receive an application. Use the link or QR code to join the meeting: bit.ly/BULLS-C9-Info
